PRODUCT & SERVICES GUIDE

Your on-going cost effective advertising
campaign in Supplier Woodworking Magazine

We're offering you a great promotional opportunity to advertise your products & services on a regular basis in one of the most widely read sections of "Supplier" magazine – the **PRODUCTS & SERVICES GUIDE** – your most cost effective way of targeting more customers, more often!

So, if you want to reach over 10,000 cabinetmakers, furniture & kitchen manufacturers, shop & office fitters, joiners, the timber & panel product industries – every 8 weeks – all around Australia, then appearing in "Supplier" magazine's **PRODUCT & SERVICES** guide is your solution!

From as little as \$145.00 per issue +GST (8 issues per year) you can effectively target new customers, your loyal ones and those you're trying to source and convert!

All you have to do is select a Product & Services Module to fit your message and let it work for you every day!

Just look at the examples illustrated!
